

Homework Correction Procedure

You have until the day of the chapter test to complete homework corrections.

You may get help from your classmates, parents, or teachers. However, make sure **YOU** understand your errors enough to explain them clearly.

You must do the following **on a separate sheet of paper** for each incorrect question or problem:

- ⇒ Number the problem/question and rewrite it.
- ⇒ Write at least **two complete sentences** explaining what your error was and what you need to do to correct it. Write enough to prove that you understand it now.
- ⇒ Show all work to correct the problem or question and include the right answer.

You may earn back all of your points
(up to 100%, no bonus points can be earned back).
